#### Activities :

Agility's core commercial business, Global Integrated Logistics (GIL), provides supply chain solutions to meet traditional and complex customer needs. GIL offers:

- air, ocean and road freight forwarding
- warehousing, distribution
- specialized services in project logistics, fairs and events, and chemicals.

Agility's Infrastructure group of companies manages industrial real estate and offers logistics-related services, including:

- commercial real estate and facility management
- e-government customs optimization and consulting
- waste management and recycling
- aviation and ground-handling services
- support to governments and ministries of defense
- remote infrastructure and life support.
- Record Management System
