Hospitality Division

ASK's Hospitality Division started in 1992 when we opened our first restaurant Dawat, a casual neighborly restaurant serving Indian and Chinese cuisine. From then we have been expanding and now have a total of 3 Dawat's all over Kuwait creating a brand recognized by all. Dawat, now established as a well-known brand for its exquisite interiors, interwoven with impeccable service and delicious food.

In 2006 ASK opened its first 'High End' Fine dining restaurant, Taal which has one standing location but is now not only known in Kuwait but all over GCC region.

Medical, Scientific & Environmental Solutions

This division aims at providing medical and scientific solutions by supply, installation, training & commissioning of equipment, supporting applications, providing maintenance services for the equipment. We provide environmental solution to prevent & control the pollution of air, water & soil. The envisioned area of operation is the Gulf region with a particular emphasis on Kuwait. Our main objective is to achieve maximum customer satisfaction by providing state-of-the-art technology. Within a short span of time, we have developed an impressive clientele & an incredible network of manufacturers & suppliers across the globe.

Audio Visual & Low Voltage

AV integration is a process, starting with an understanding of the client's needs, system design & selection of equipment, making the proposal & its approval, implementation in a given time frame, training and preventive maintenance. We believe ASK is uniquely positioned to provide all the above services in a highly reliable & cost effective way. We are committed to the long-term relationship we have with our clients.
