

## Baosheng High Voltage Cable Co. Ltd.

Formerly known as Prysmian Baosheng Cable Co.

### Address :

P.O.Box: 5825 Safat 13059 Kuwait  
Tel: 2572 5660 / 2572 5880  
Fax: 2572 5780

### Working Hours :

8:00am - 5:00pm (Sunday - Thursday)

### Management :

#### George Mangalath

Regional Commercial Director  
Email: rgeorge@baosheng-hv.com

#### Nigel Richmond

Regional Projects Director  
Email: nigel.richmond@baosheng-hv.com

### Activities :

#### EXPERIENCE

The products of Baosheng High Voltage Cable Co. Ltd. (formerly known as Prysmian Baosheng Cable Co.) (hereinafter called BHVC) widely apply for State Grid Corporation of China, China Southern Power Grid, power supply bureau, petroleum, petrochemical, power plants and metallurgical and other industries of provinces and cities, meanwhile export to Europe, America, Asia, Australia, Africa and Middle East etc. has grown as a truly multinational corporation.

Since the name change in 1999, BHVC has provided the 110 KV cables more than 50,000 km and the 220KV cable 30,000 km for the domestic and foreign markets successively. Also, its 500 KV cables successfully applied in Anhui Xiangshuijian 500 KV project in 2011, which was a turn-key project included cables construction, accessories installation and site test and got the highly recognition and praise of customers.

Based on the technical resources and sales network, BHVC will provide the products and services of integration, systematic, and assembly with design, manufacture, installation service and the complete solutions of transmission and distribution cable system for the customers.

### CAPABILITIES

Five (one under construction) tower, 8 high voltage VCV production line, 26 medium voltage cable CCV production line, more than 200 low voltage cable production line, 10 rubber cable CCV production line Cable.

Manufacturing, Engineering and Management services provided by the company include :

- XLPE cable for use at voltages ranging from 33kv up to 500kv.
- Low - temperature superconducting magnet conductor.
- Cable for third generator CAP1400 nuclear power plant.
- Special cables for traction systems for rail transit.
- Low voltage low attenuation high rate insulation cable.
- Insulated high temperature measurement of mineral insulated cables.
- All chemical, petrochemical, power or industrial plants that require complex, integrated power, control and instrumentation cable systems.

Baosheng Group is a member of the China Aviation Industry Corporation (AVIC), established in 1985, the total assets nearly 15 billion Yuan.

Selected Fortune 500 China, China's top 500 manufacturing industry, China's top 500 machinery industry, China's top 100 electronic information and Asian brands 500 for many years.
