RSM Albazie & Co. ("AB") is a member firm of RSM International, the world's 6th largest international network of independent accountants and business advisers.

RSM International network offers an outstanding combination of global coordination with a local presence.

Our international affiliate is represented in more than 120 countries through well established national member firms offering the combined skills of more than 41,400 people in nearly 800 offices worldwide.

We are staffed and structured so that top professionals work closely with you, consistently bringing you ideas and solutions to help you succeed.

The office, originally started in 1963, currently employs over 226 dedicated professionals. The staff composition with service duration of between one year and fifty years reflects our office's policy of blending fresh thoughts and ideas with years of sound experience.

The office has 12 partners and independent service level heads with a diverse range of experience attained in the Middle East and the US who are wholly committed to serving our clients.
